

Statement of Designated Caregiver Arrangements

(Please use this form if the family are arranging the accommodation. You must fill in either this form or the Homestay Form.)

Note: A designated caregiver means only a relative or close family friend in whose house an international student is living while in New Zealand. Howick College must inspect and approve this accommodation.

I have decided not to place my child with caregivers arranged, vetted and monitored by Howick College under its International Student programme. I take full responsibility for the accommodation arrangements for my child.
